OUR MESSAGES

The Van der Valk Hotel Berlin Brandenburg wellness area offers exclusive and holistic wellness and beauty programmes that will make your pampering break with us an extraordinary and unforgettable experience. Unwind with unique facial and body treatments tailored to your needs and lifestyle.

Classic massages are a holiday for the soul. They have a relaxing effect on body and mind, loosen the muscles, promote blood circulation and allow more oxygen to reach the cells. Regenerative processes are stimulated. A firm, stimulating massage tailored to your individual physical needs.

BACK, SHOULDER AND NECK MASSAGE

25 minutes | €39.00

Relax your back and neck with our classic back massage. This effective treatment offers you a soothing break to specifically relieve tension.

RELAXING FACE AND HEAD MASSAGE

25 minutes | €39.00

Enjoy a soothing massage that gently works its way across your neck, head and face. This short break is ideal for leaving the stresses of everyday life behind.

FOOT MASSAGE

25 minutes | €39.00

Our foot massage promotes blood circulation and relaxes the muscles in your feet and calves. An ideal choice for anyone who wants to give their tired feet some special attention.

OUR WELLNESS PACKAGES

HARMONY RETREAT

approx. 100 minutes | €129.00

Immerse yourself in pure relaxation! Your Harmony Retreat begins with a soothing foot bath and a welcome cup of aromatic tea or a glass of sparkling wine. You'll then enjoy a relaxing massage for your back, legs, feet, arms and hands, which relieves tension and restores your energy. To round off the experience, we'll pamper your face with a gentle cleanse and nourishing treatment – leaving you feeling completely relaxed and radiant.

WELLNESS RETREAT COFFEE

approx. 120 minutes | €159.00

A special experience for all the senses! Begin your retreat with an aromatic coffee, before a full-body scrub with a seductive coffee scent revitalises your skin. This is followed by a body wrap made from ground coffee beans and Rügen healing chalk for a firming and nourishing effect. The highlight is an exclusive full-body massage with an invigorating coffee scent and anti-cellulite effect – for noticeably soft and supple skin.
